GENERAL GUIDELINES

- EVERY SINGLE LOOK NEEDS TO BE APROVED BY A STYLE EXPERT.
- ALL LOAN FORMS MUST BE SUMBITTED FOR APPROVAL NOT LATER THAN THE COMMUNICATED DEADLINE.
- All styling items for loan such as knits, shirts and shoes will be chosen before Collection Launch event and on the loan form.
- Each employee should pick an outfit from different color drops to show the diversity of the
  collection throughout the store.
- No looks from the individual's allowance may be picked later in the season (after loan event);
  all looks are approved at the beginning of the season.
- Any items added to a loan ticket without VM/KOL approval will be withheld from your pay at 60% of the sales value of item price.
- Customer Service teams & Corporate locations with their own designated stock location can
  use their own stock locations for loans (so as not to pull directly from the store).
- If there are any deviations, for whatever reason, they can only be done with prior approval from your designated loan approver and
  businesscontrol@suitsupply.com.
- Product from prior seasons can only be worn if the color, material, and style are aligned with current collection. This needs to be approved by Style Lead/KOL and added to your loan form as an approved look.

Step 1: Select your CM loan looks

- Review your desired looks with your StyleExpert/Loan Approver and once they have given their approval, you can move on to the next step.

Step 2: Order Your CM Items

- Follow the required steps to create an order in LoanDrop (ISWS for stores that are not on Store App) loan Items. Select the employee profile (Suitsupply email address) when adding the customer. If they have multiple profiles, double-check that you have selected the one designated as Suitsupply staff. Ordering loan can only be done by management.

Step 3: Update Loan Form

- Record each approved CM look with it's given Look # on your Loan Form to be uploaded in Teams. Add shirts, knits, shoes, and accessories to loan form, send to designated loan approver for approval. Once approved, upload loan forms to store Teams-GRP.

Note

- *Your CM loan order cannot be cancelled or changed once it has been processed. For that reason, please make sure to double check:*
    1. *That the used Save & Share code is correct;*
    2. *That you've selected the correct fabric;*
    3. *Whether your Size-Passport is up to date.*

If anything is unclear, please reach out to your Style Expert/Loan Approver.

End of Season Loan Options

- At the end of each 6-month season, employees must choose one of the following options:
    1. **Purchase Loaned Items**
        - You may purchase all items on your loan ticket at a **discounted rate of up to 95%**, provided the items have been on loan for the entire season (6 months).
    2. **Return Loaned Items**
        - You may return all items on your loan ticket instead of purchasing them.

End of Employment Loan Options

- If your employment ends before the end of the season, you must:
    1. **Purchase Loaned Items**
        - You may purchase the loaned items at a **discounted rate based on how long each item has been on loan**, up to a maximum of 95% after 6 months.
        - Payment must be completed **before your final working day**.
        - **No deferral or delay** in payment is allowed to obtain a higher discount after employment ends.
    2. **Return Loaned Items**
        - You may return all items on your loan ticket instead of purchasing them.

Depreciation table						
Discount after month	**1**	**2**	**3**	**4**	**5**	**6**

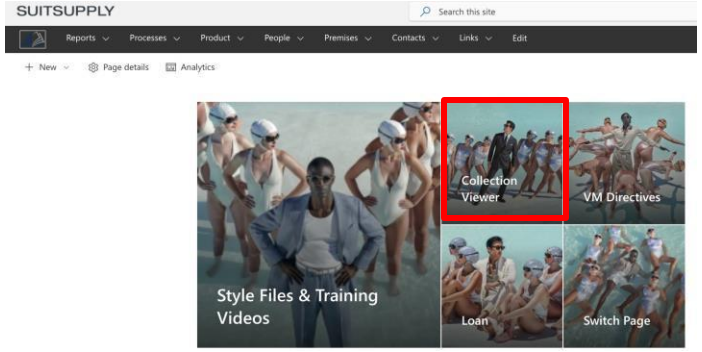
SEARCHING FOR PRODUCT IMAGES USING NEW Collection Viewer

Suitsupply is now using a cloud-based storage site to house all product images – this tool is called “Collection Viewer”

Unlike the online Cloudinary that was formerly used, Collection Viewer allows the user to search specific product codes as well as filter by season and product category. Scroll through the “Loan Book” document prior to selecting your loan, then gather the product codes of the items they wish to view. After product codes are gathered, search each item code in Collection Viewer to access those product photos.

This NEW tool can be found on the SKB Home Page



Or on a button on the store iPad home page

Men’s Loan Allowances

New Hires

- First Two Looks should be chosen from RTW & delivered in the new hire's first week of work and should serve as their look while attending Suitschool.
- The store manager/person on-boarding the new hire should guide in selecting the first loan looks.
- Once a look has been selected, approval by VM/KOL is then required.
- Upload images of these two looks to Suitschool Pre-Work Module
- Third Loan look (*32 hours or more*) can be a Custom Made suit. Order your first CM suit after Suitschool with the guidance of your manager/trainer/KOL. Your loan will be part of the 3WTW Training at Suitschool.
- Always seek out the advice and approval of your trainer/KOL/VM when ordering your CM Loan, as it must still align with the collection.
